Dear sir: Just read in the Ill. State Journal where you are trying to locate any Lincoln relics anyone might have. I am trying to help find a buyer for a very valuable relic for an old lady next door neighbor. She has what is supposed to be the original high boy which Lincoln had intended to give to Anne Rutledge for a wedding gift. She can furnish affidavits to prove that it is the real piece of furniture.
If you would be interested please write me and I can give you further details.

Yours truly
Mrs. H. A. Canham.
